From the East

TO THE OFFICERS AND MEMBERS

At our last meeting we have taken the first steps to inspect the roof on our lodge. We hope that it will not be a great expense, but I feel we have to get things moving before the hurricane season starts.

I would like to thank R. W. Mike Binder and Janet for the hard work they put in making the Sweetheart's Ball on February 6th a great success.

Please remember Brothers that we have one more month to fill the box in the lodge with non-perishable food for our Corporate Feeding Program to help feed the hungry and homeless in Broward. As Masons we should always remember that Charity should always be one of our virtues.

I have had several inquiries from young men interested in Masonry. I have informed everyone that in our lodge they are welcome to join us for meals before a Stated Meeting. This is a good way to get to know them and for them to get to know us. In order to be a good Mason one must learn the virtues of our Honorable Institution *before* applying to our lodge.

Remember Brothers that we are having an Entered Apprentice Degree at our Stated Meeting on March 25th. Please come and support our new Brothers. I have decided that our Junior Warden, Brother Javier Hernandez, will sit in the East for the first part of the degree.

The District Wardens' Workshop will be held at Doric Lodge on Saturday April 3rd. We have already budgeted the expense for three sets of books for the workshop and I strongly urge my Wardens and Deacons to attend. The workshop will begin at 8:00 am and end at 3:00 pm. I understand that there will be some excellent speakers.

Finally Brethren please remember that on Sunday, March 14th, we will have our second Bar-B-Q at Hugh Taylor Birch State Park. The fee will be \$15.00 per adult and children under 12 are free. Brother Ron Bogner will arrange for admission to the park at no charge. Bring your family and have fun with your Brothers.

Sol. Goldenberg (Worshipful Master)
